

DSC Junior Academy Program 2011

Dollard Soccer is pleased to announce the addition of Micro Players to our Winter Academy Training Program. This year we will be registering boys and girls levels U5 – U7 (year of birth 2006 to 2004) for training by DSC Technical staff. 50% of each session will be focusing on improving basic soccer technique and skills in order to prepare players for the upcoming summer season. The other 50% of the sessions will be soccer games. An Academy T-Shirt is included in the registration price.

The scheduled dates for the sessions at Polyvalente des Sources High School (2900 rue Lake, Dollard-des-Ormeaux) and run from January 15, 2011 to March 27th, 2011.

Eligible players are boys and girls aged 5 to 7 years old (born between 2006 and 2004).

Registration space is LIMITED. In order for our trainers to be effective we will be forced to limit the amount of players accepted into the program at each age category.

The cost for this year's program has been established at \$110.00 per player (for 10 training sessions and a T-Shirt).

Registration can be done by visiting the DSC Office and filling out the registration form: 12001 de Salaberry, Dollard des Ormeaux, Suite H-184 Office hours: Wednesday 19:00-21:00 and Saturday 10:00-12:00
